CAREER SUMMARY

As a member of Lee Corporate Solutions Group, Jason has provided "best in class" commercial real estate advisory services for over 15 years in Western Canada specializing in representing the office leasehold interests of British Columbia based, Canadian, and International office users from non-profit groups to "Fortune 500" corporations.

As the designated office broker for the firm, Jason has built an industry leading track record of many long standing clients for whom he has provided assistance for a varied range of assignments including procurement, disposition, workouts, renewals, consultation, leasing strategy, and transaction management. He skillfully negotiates and administers all of his clients' multi-market office portfolios having completed successful lease renewals and/or relocations with most of Canada's major office building owners.

Jason's professionalism, deal creativity, persistence, attention to detail, and strategic thinking approach keeps his clients up to speed and fully informed throughout the sales process giving him a competitive advantage in the industry.
